

Cambridge In-Service Teacher Training Course

Lesson Planning and Use of Resources for Language Teaching

劍橋在職教師進修課程

教案設計與語言教學資源運用

Overview

概要

Teachers plan and deliver lessons every day. Some lesson plans work, meaning the lesson aim or aims are achieved, while others work less effectively or even fail, meaning precious time wasted in poorly designed activities that produce little or no learning outcome. All good lesson plans have required lesson components, and effective ones incorporate a variety of presentation techniques, practice activities, and other elements of **effective teaching**.

教師需每日備課與教課，課程若規劃良好，就能達成預期目標；反之，若課程效果不佳或甚至出現問題，則顯示教學活動設計不良，成果有限以致浪費寶貴時間。良好的教案仰賴各課程構成要素有效地配合，諸如授課技巧、練習活動以及其它**有效教學**的元素。

An effective lesson plan serves as the road map or framework for the teacher to help the students reach **academic goals** and develop **language abilities**. It should also engage different **types of learners** in **useful and engaging manner**.

良好的教案對教師來說，有如地圖或是準則，能協助學生達成**就學目標**並增進**語言技能**，同時應以**有效且有趣的方式**，吸引不同類型的學生。

How the Course Works

課程實施方式

The primary aim of this 20-hour training course is to help in-service English teachers of elementary and secondary schools develop their abilities in planning effective lessons and utilizing different techniques for more efficient lesson delivery. This course also aims to inspire teachers to take different approaches to teaching mixed-ability classes in order to maximize learning outcomes.

此一為期 20 小時課程的首要目標，是提供在中小學任教的老師們，一個規劃課程和運用不同教學技能方面的進修機會，讓教學達到更良好的效果。課程中將引導教師們採用不同的

教學方式來教授常態編班的學生以達到最大成果。

To achieve the primary and secondary aims, this course is mainly conducted through individual reflection, pair and group discussions, observation activities, hands-on design activities, and peer-teaching practice, instead of through the traditional lecturing presentation. Teachers will be able to take TKT module two on completion of the course.

本課程一反傳統的單方面講課型態，是以採取個別研習、兩人一組和團體研討、觀摩活動、親自動手設計以及互相授課練習等方式來達到進修目標。教師們可參加 TKT 第二模組認證考試來完成課程。

This course has been designed to allow teachers to develop and enhance their lesson delivery as well as to develop strategies to deal with mixed abilities and differentiation in the classroom.

本課程乃針對需要進修以加強授課技能、並發展指導不同語言程度與學習差異等課堂技巧的教師而設計。
